If you or your ancestry has been involved in Freemasonry, it is recommended that you renounce the rituals. You will find a renunciation handout here on this site.

Here is how you pray:

Father, please bring to my mind anything I have done or participated in that involves the occult, cult, false religions teachings or practices. I repent of my association and actions and renounce (state all things he brings to your mind or the things you checked in the checklist) as counterfeits and not of you. I will no longer have anything to do with these things. I cut off ties to the occult and unclean spirits and ask you to shut the doors that were opened so that the enemy has no right to access my life. Lord I asked to be released from every spell, curse, incantation or false prophesy in Jesus Name. Show me anything in my home that needs to be burned or destroyed and give me the courage and desire to have a home that honors You. Now, in the Name of Jesus, I command every spirit of divination, witchcraft, rebellion, and bondage to go right now and not return!
